THE STORY

Natalia Jessa is on the forefront of becoming the new face of Portuguese wines and one of the hardest working people around. Having relocated to Portugal for love from Poland via Ireland to Oporto, Natalia Jessa has really taken grasp of what is virtually an underserved market for inexpensive and incredibly delicious Portuguese wine. She says it herself in the most adorable broken Portu/Polish English accent: "Drink it, don't overthink it." And these wines over deliver in a BIG way.

PHILOSOPHY: Grape authenticity and creating wines that are meant for every day drinking with great acidity and freshness.. Natalia's philosophy when it comes to HER wines of great value and grape identity is "DRINK it don't THINK it."
