THE STORY

Bethel Heights is a multi-generational family estate established in 1977 in the Eola-Amity Hills. Gnarly old vines, geologically complex soils, and direct impact from winds, all conspire to produce highly energized Pinot noir and Chardonnay.

PHILOSOPHY: Our vineyards are certified organic and LIVE. We work to build diversity and resilience in the landscape, stability in the watershed, and justice for the people who work the land.

BIOGRAPHY: We found a flourishing ecosystem in place: healthy living soils, a stream running through a shady ravine fed by a pure clean spring, and a rich diversity of wildlife with which we try to live in peace. Above all else, we seek to grow our grapes and make our wine without diminishing the vibrant life of this place.
