

Rascal Cabernet Sauvignon CA

THE FACTS

COUNTRY: USA - CA

REGION: California

APPELLATION: California

WINEMAKING: All of the lots were crushed separately to stainless steel fermenters and pumped over two to three times per day for 7-10 days to fully extract color, tannins and flavor. Warm ferments at 80 degrees Fahrenheit produced balanced, full-bodied wines. When the new wines had fermented, the lots were pressed separately in tank presses and allowed to proceed through malolactic fermentation to soften acidity and add complexity. The new wine was then racked away from the lees to a combination of French and American toasted oak and aged for 3 months. The individual lots were tasted, and blending trials were prepared in order to determine the best-balanced blend. Finally, this Cabernet Sauvignon was filtered and bottled.

ALCOHOL BY VOLUME: 13.5%

AGING: French and American toasted oak, aged for 3 months

ANNUAL PRODUCTION: 3000 cases

THE STORY

Crafted in Oregon, Rascal Wines reflects the playful spirit of its namesake pup. Made from pesticide-free grapes, lab-tested for purity, and Clean Label Certified, each bottle gives back to dog rescues—pure, approachable wine with a purpose.

PHILOSOPHY: At Rascal Wines, we believe great wine should be pure, approachable, and purposeful. Made from sustainable grapes and lab-tested for purity, our wines reflect transparency—and every bottle helps support dog rescues, inspired by our namesake pup.

BIOGRAPHY: Founded in Oregon, Rascal Wines crafts approachable, high-quality wines with a focus on purity and purpose. Made from pesticide-free grapes and lab-tested for purity, each bottle supports dog rescues—true to the spirit of its loyal namesake.
