THE STORY

For over 50 years, El Rancho Marketplace has been a trusted name on California's Central Coast, known for fresh, local flavors and a passion for quality. That same dedication is bottled in the 2022 Love Chardonnay. Sourced from select California vineyards, this Chardonnay captures the essence of the Golden State with ripe notes of golden apple and pear, gracefully layered with toffee-like oak. Smooth and rounded on the palate, it strikes a perfect balance between bright orchard fruit and creamy richness, making it as versatile at the dinner table as it is memorable in the glass.
